

ARE YOU READY FOR A
MODERN COFFEE EXPERIENCE?

MEET COTI

COFFEE CULTURE HAS CHANGED, **AND SO HAVE WE.**

Gone are the days of pour-over black coffee as the only option to fuel a busy lifestyle. With an increased focus on quality, variety, and experience, consumers on the go demand more from their coffee, and CPI is ready to deliver that experience, anytime, anywhere.

Joining with Crane Merchandising Systems, CPI presents a new wave of on-demand, self-service coffee. Designed to promote equal parts quality and efficiency, our products deliver your customers with the same confidence of their favorite coffee shop, while increasing your bottom line and promising measurable ROI.

**Join us as we deliver a new
generation of coffee.**

ROI AND QUALITY ASSURED

COTI

Focused on quality, right down to the name, our newest machine finds it's namesake in the Coti River, which runs through Brazil's coffee growing region. With advanced menu options, consistent quality drink production and intuitive maintenance design, COTI delivers a reliable experience from beginning to end, for you and your customers.

A MODERN, ON-DEMAND COFFEE EXPERIENCE

In the world of modern, integrated technology, customization and intuitive experiences are at the heart of consumer demands. With COTI, self-serve coffee gets the same treatment.

21" Full capacity touchscreen and intuitive workflow to actively engage customers with a modern user experience

Extensive drink menus offering a up to 25 fresh brew coffee and tea beverages to command an increased price point

Customizable beverage options with "Save my Drink" feature to encourage return customers

Flexible user interface allows operators to customize drink menu, drink names, and screen content and images, plus enable full HD video content

Instant, fresh brew, and bean-to-cup variants available

DESIGNED TO LAST WITH EXPERT ENGINEERING

Brought to you by world leaders in vending solutions, COTI brings together the machine engineering expertise of Crane Merchandising Systems and the connectivity innovation of CPI to deliver you with a more reliable, future-ready investment.

Patented brewing and cup drop technology ensure reliable drink delivery to lower overall service needs

Commonality with legacy machines provides ease of servicing and training

Available with integrated cashless payment and connectivity, plus enabled for OTA updates to participate in digital advertising campaigns for even more revenue

Backed by CPI support, including access to 160 authorized service centers

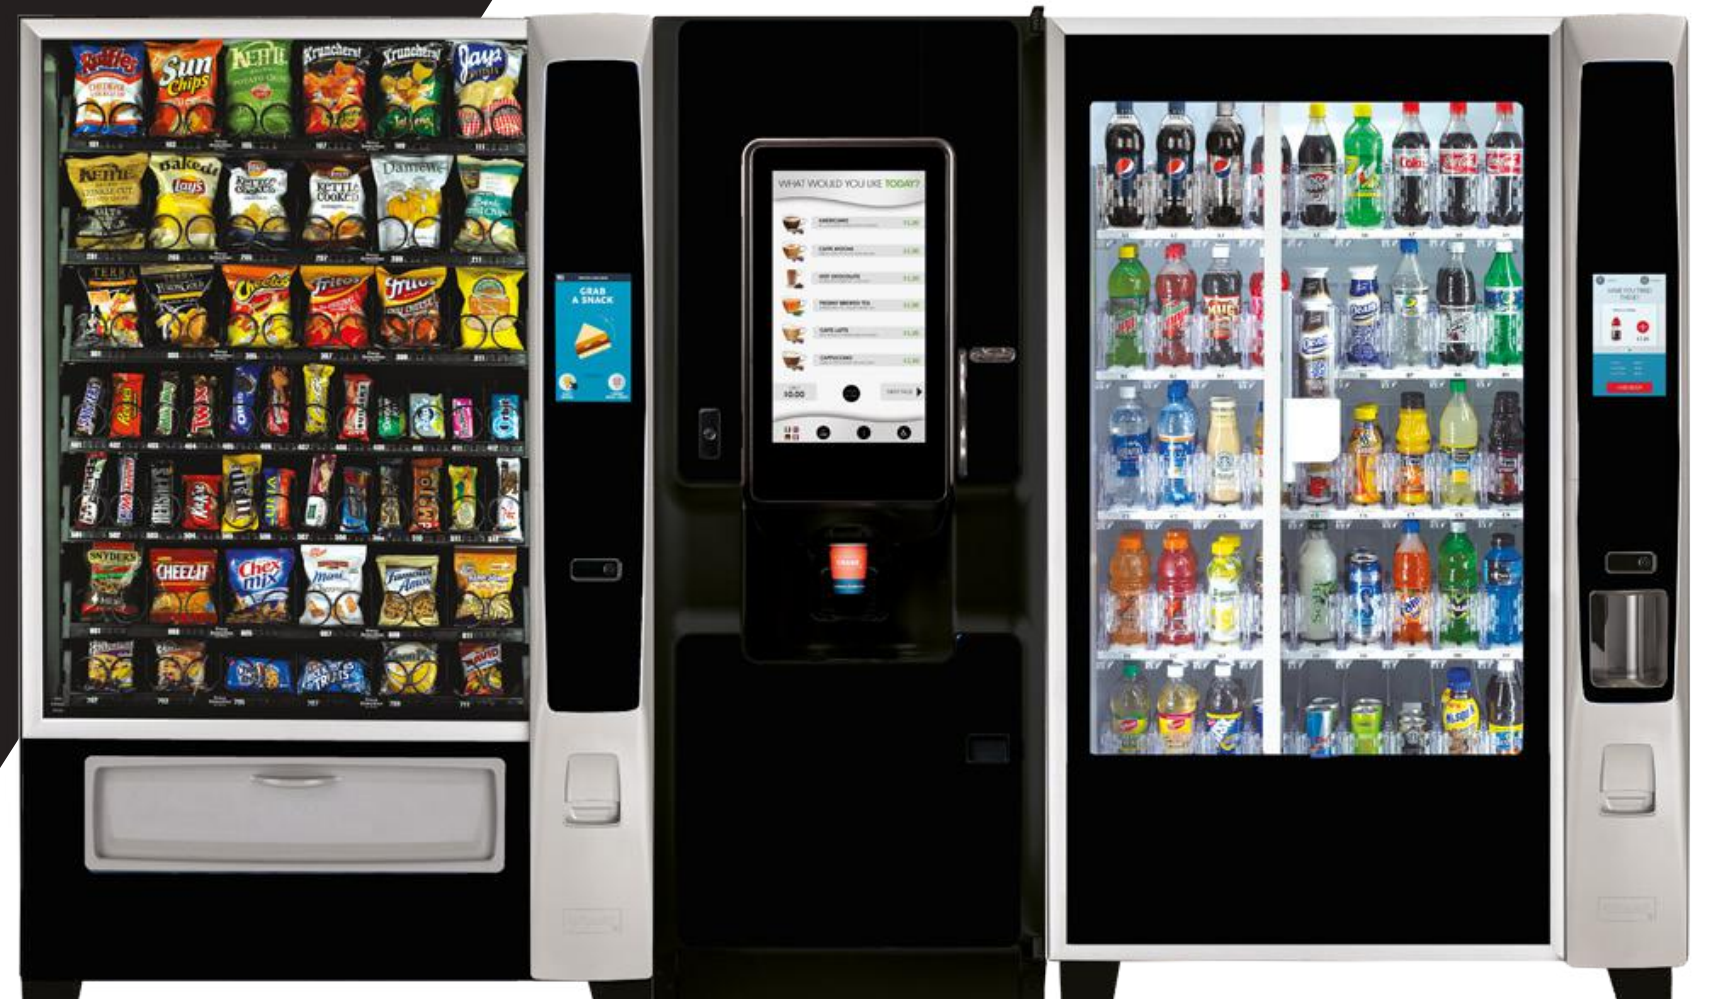

DESIGNED FOR YOU CUSTOM SYSTEMS

Seamlessly integrating with existing Crane Merchandising Systems platforms, COTI is designed for both stand alone and system integration use. Pair COTI with your existing BEVMAX, MEDIA2, and Ambient Merchant and Combo machines for a streamlined display and the efficiency of a single platform.

Easily integrate with existing Crane VMS platforms, including Simplifi and VendMax

Customize front of machine graphics to complement your existing machine portfolio

Integrate with existing Crane Medianet campaigns for added revenue opportunity

THE DIFFERENCE CPI ASSURED ROI

You come to CPI because you want the reliability, performance, and the engineering excellence you expect from all of our products. With Crane Merchandising Systems now a part of CPI, COTI is no exception.

25% Decrease in monthly maintenance costs

40% Increase in beverage revenue

60% Increase in same location sales

50% Reduction in cleaning time

75% Increase in overall reliability
