### ***Versatile Technology of the New Decade***

The PicoCooler is the cooler functionality of the 365 PicoMarket— one innovative convenience technology used two ways. The PicoMarket is our smallest but most versatile technology that can be used on a vending machine (PicoVend) or on a cooler (PicoCooler).

The PicoCooler provides you with the opportunity to grow into semi-public areas, add a controlled cooler to your new and existing locations or complete your Connected Campus<sup>SM</sup> with a modern cooler technology.

***Upgrade your traditional coolers today!***
